Foreword

Our staff has chosen as the theme of the 1946 Forester peace through international co-operation for the welfare of all nations and peoples. As some of the methods by which international friendship and security may be achieved, we have illustrated international peace conferences, research and scientific investigation, atomic control, international trade, and Olympic Games. Through all our school activities, our students are developing a realization that the likenesses between peoples are much more important than the differences.

Dedication

In deepest humility and unutterable pride and devotion, we dedicate this volume of the **Forester** to our brave and gallant sons who went forth to fight and die, if need be, for their country's cause of righteousness and freedom.

Especially is it dedicated to those who gave their lives unflinchingly, and to those who fought on so heroically until the end of the war. We remember also all who continued to battle against loneliness, hunger, and cold, and ravages of devastated and demoralized countries, ever striving to up-build and succor those in distress. We can only pray that we shall never fail them, but keep pressing ever onward and upward.

WORLD CAPITOL

And it is inescapable that there can be no peace for any part of the world unless the foundations of peace are made secure throughout all parts of the world.

—One World, Wendell Willkie

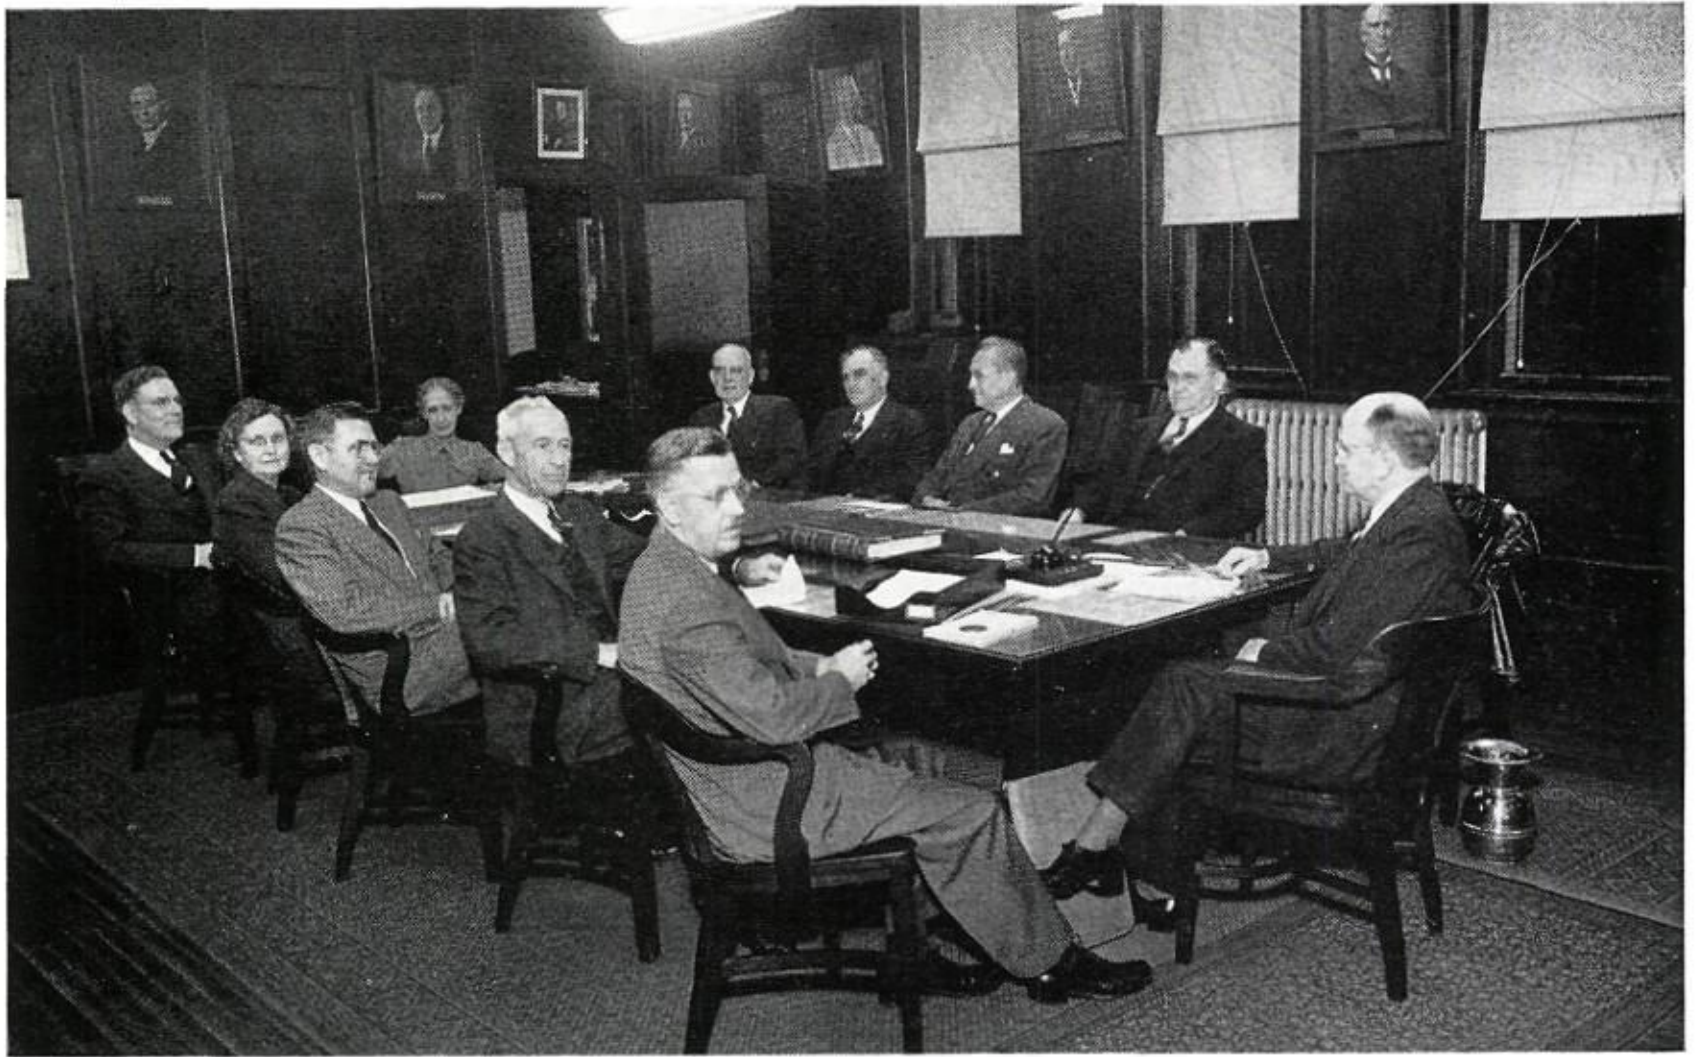

James T. Whittlesey

As we approach the end of an enjoyable year, it is with pride that we look to the understanding and energetic man who has led us throughout this year in our achievements.

The cool efficiency with which Mr. Whittlesey leads the faculty and his complete understanding and sympathetic treatment of the problems of the students have endeared him to the school. Realizing the value of a sense of responsibility in later life, our Principal has endeavored to let the student body govern itself as much as possible through the Student Council.

Few schools can boast of a principal who takes more interest in student activities than James T. Whittlesey. He is particularly interested in sports and may often be seen at school games with his small son, Jimmy.

Mr. Whittlesey is very jocular, and has the gift of tact. It has been a privilege to have such a wise and beneficial leader in the past, and to look forward to having him in the future.

MISS FOOTE

It has long been apparent that the management of Forest's charming and efficient dean, Miss Foote, is indispensable to the school. She may be depended upon always to treat sympathetically the problems that confront the students. The student body is greatly impressed by her dignified though friendly manner, and by her cooperation in student activities. As sponsor of the National Honor Society and High Scholarship Club, Miss Foote helps to uphold high standards of character and scholarship in our school. Her ability to work with both parents and students pleasantly and considerately has placed her high in the esteem of all of us.

MRS. BROWN

Both faculty members and students respect Mrs. Brown, but in the esteem of seniors especially does she hold a high position. To her we are indebted for the skillful patterning of credits that take us through the last eventful year. She is always willing to interrupt her activities long enough to give us advice on our choice of subjects and colleges, and applications for scholarships. Besides her many duties concerned with the advisory part of our education, she fills another important role—that of teaching Algebra 4 to 4A's. She has gained our respect for the competent manner in which she performs all these services to us and to our school.

Class Song, June '46

To the Tune of "It's Been a Long,
Long Time"

Forest, dear old Forest,
How we'll miss you when we're gone;
You are the best of schools.
We won't forget our freshman days;
We were so quickly drawn
To all your ways and rules.
We won't forget the football games and
Friday dances,
Or that cute junior who caught all our
glances.
But we'll return, our hearts will yearn
To see you once again.
You are a grand old school.

—Norwin Gene Ray.

WORLD FORCES

If we want to enjoy it (freedom), and fight for it, we must be prepared to extend it to everyone, whether they are rich or poor, whether they agree with us or not, no matter what their race or the color of their skin.

—One World, Wendell Willkie

Cadet Lieutenant-Colonel
JOE EARL ELLIS

Cadet Major
GILBERT DANIEL

The Forest R.O.T.C. was headed this year by Lt. Col. Richard Farr during the fall term, and Lt. Col. Joe Earl Ellis during the spring term. In his semi-annual inspection Colonel Gilbert Ackerman, Professor of Military Science and Tactics, graded the corps excellent on both appearance and theory. Selected Cadets participated in the Wozencraft Drill at Crozier Technical High School. Among the duties of the corps during the spring term was the maintenance of military guards on the stairs and in the locker rooms. The weekly presentation of training films in the military theatre and the privilege of attending Camp Dallas add much to the popularity of the course.

Band

The Forest Band under the guidance of its former director, Colonel-Instructor Harry F. Barton, got off to a new start this year. It was a military unit headed by a Cadet Captain, and all the boys received R.O.T.C. credit and might hold ranks. Leadership, musicianship, and military ability determined promotions. Girls in the band received music credit. In the band library are almost 400 pieces of music, including marches, modern and classical concert music, novelties, and swing arrangements. A number of school-owned instruments were used to train new bandsmen, as well as provide instruments for those who did not have their own.

For the band members, the year was one of conscientious practice and resulting progress. From a group of thirty beginners, eighteen advanced enough by mid-term to join the regular band, raising its strength to thirty-seven. Four girls were included on the roll. In instruction, emphasis was placed on music fundamentals, rhythmic patterns, and individual technique. During the second semester, the band gave concerts in several nearby grade schools and played for regimental parades.

Rifle Team

A spirit of school competition and a deadly aim describes each of the seventeen members of the Rifle Team. With other candidates for the team, these members, having had at least one year of military, went through a period of training in firing. They practised securing the proper position, sighting accurately, and shooting to hit home. Finally the candidates fired an elimination match, the seventeen highest scorers becoming the permanent members of the team for the year. Almost daily the Rifle Team practiced in the armory before school, perfecting their shots. They fired in the city match against the other Dallas high schools, the five scorers of the team taking part in the Hearst Match and in the Shoulder to Should Match. The ten members and white letter jackets.

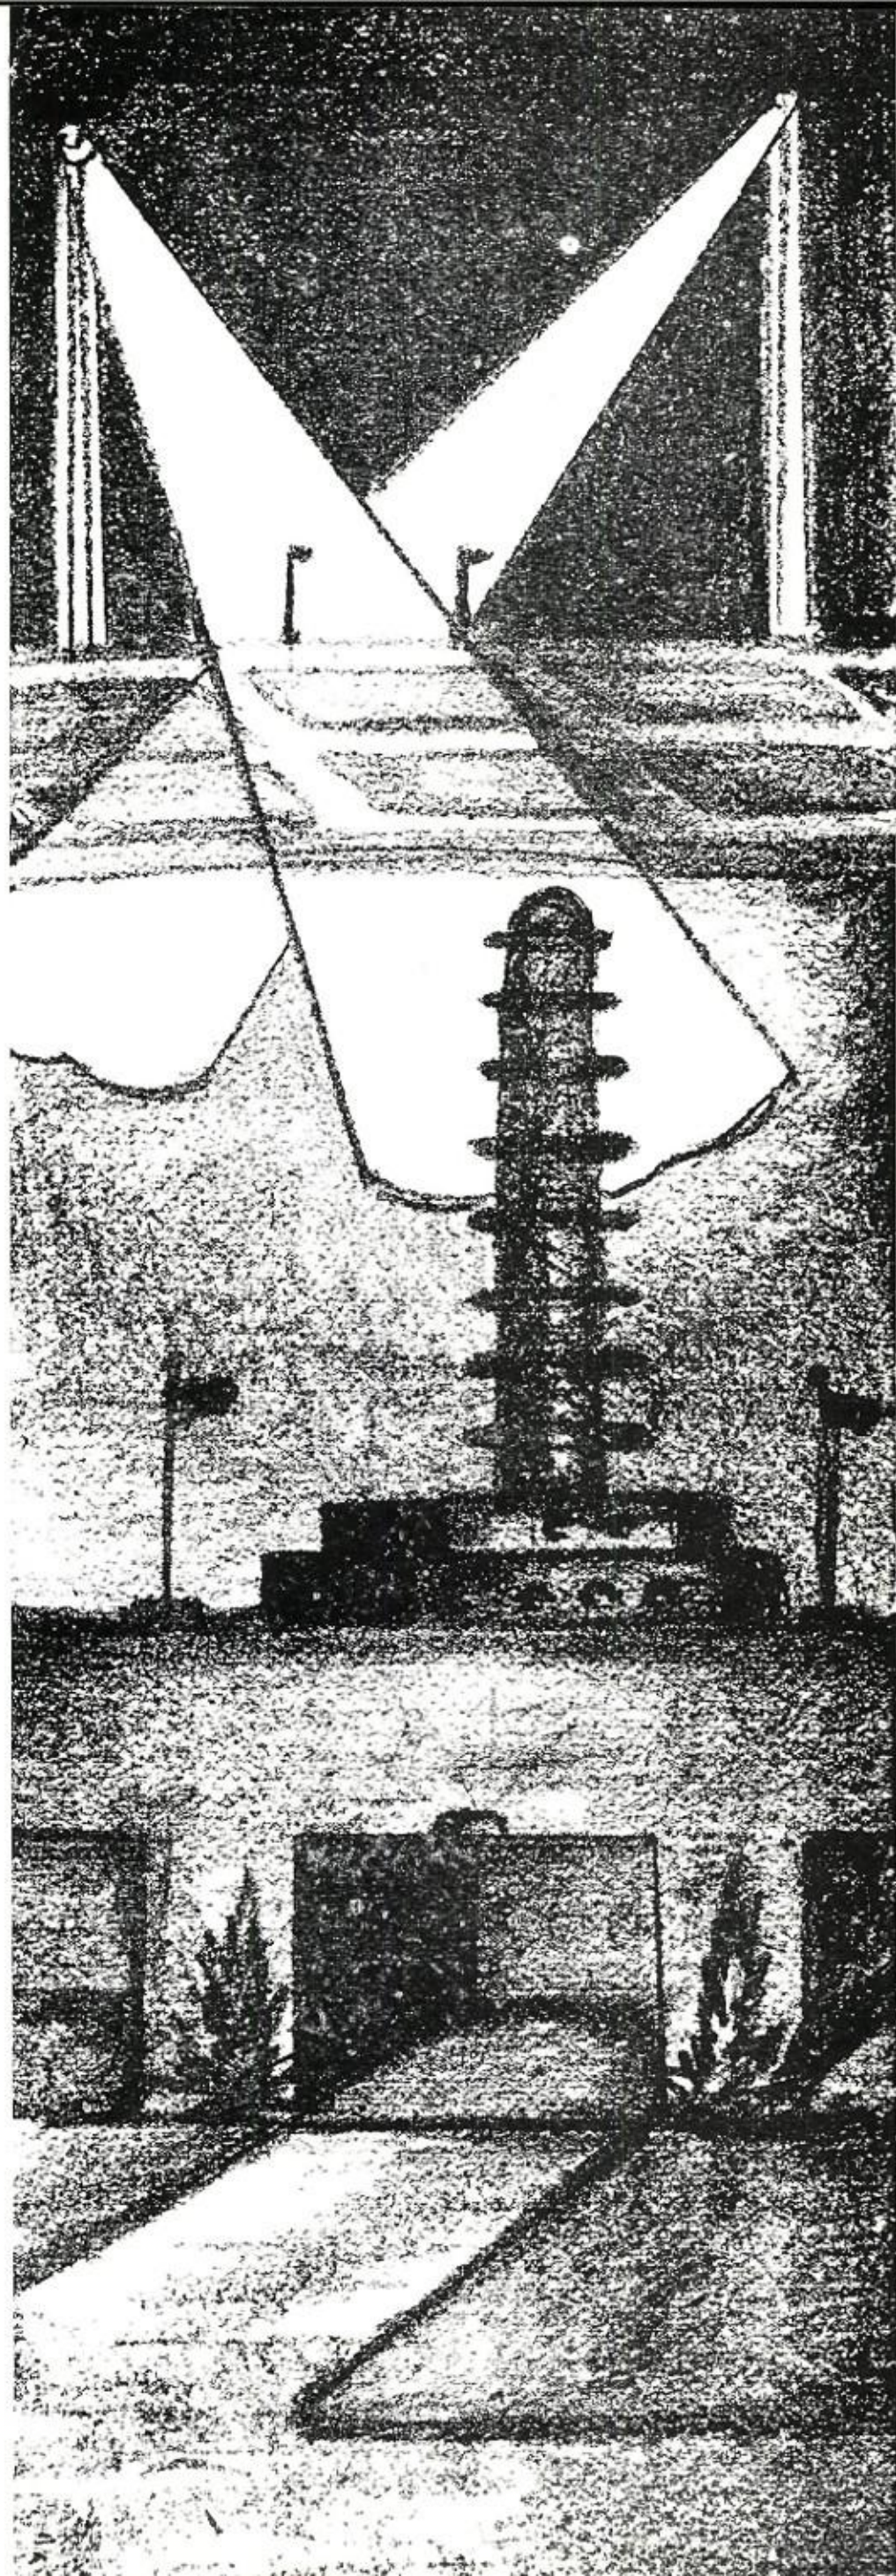

Gilbert Daniel, the highest ranking cadet on the team, was team captain. He held the rank of major, and was executive officer of the battalion. First Lieutenant Dan James was second in command of the team. Lieutenant James and Second Lieutenant Glynn Winthrow are in line to head the unit next year. Sergeant Orrill, assistant commandant, instructs the team.

Pigskinners

Forest 6—Sunset 26

A favored Bison team turned back the Lion eleven 26-6, October 18. A lucky break for the Bisons set up the first score when the Sunsets recovered a fumble on the Lion 13. Two plays later, James Holbrook circled right and crossed the double stripe. Lyman Blanks converted a Sunset drive of 47, climaxed by a line plunge for a score.

Forest 14—Tech 49

The highly favored Tech Wolves defeated the Lion eleven 49-14, October 26.

The Wolf onslaught began early in the first quarter and the Wolves' passes by George Seaman scored 21 points. When the half ended, the Greenies trailed 21-7. The determined Lion eleven never gave up, but the Tech rushing attack was just too much.

Forest 7—Tech 14

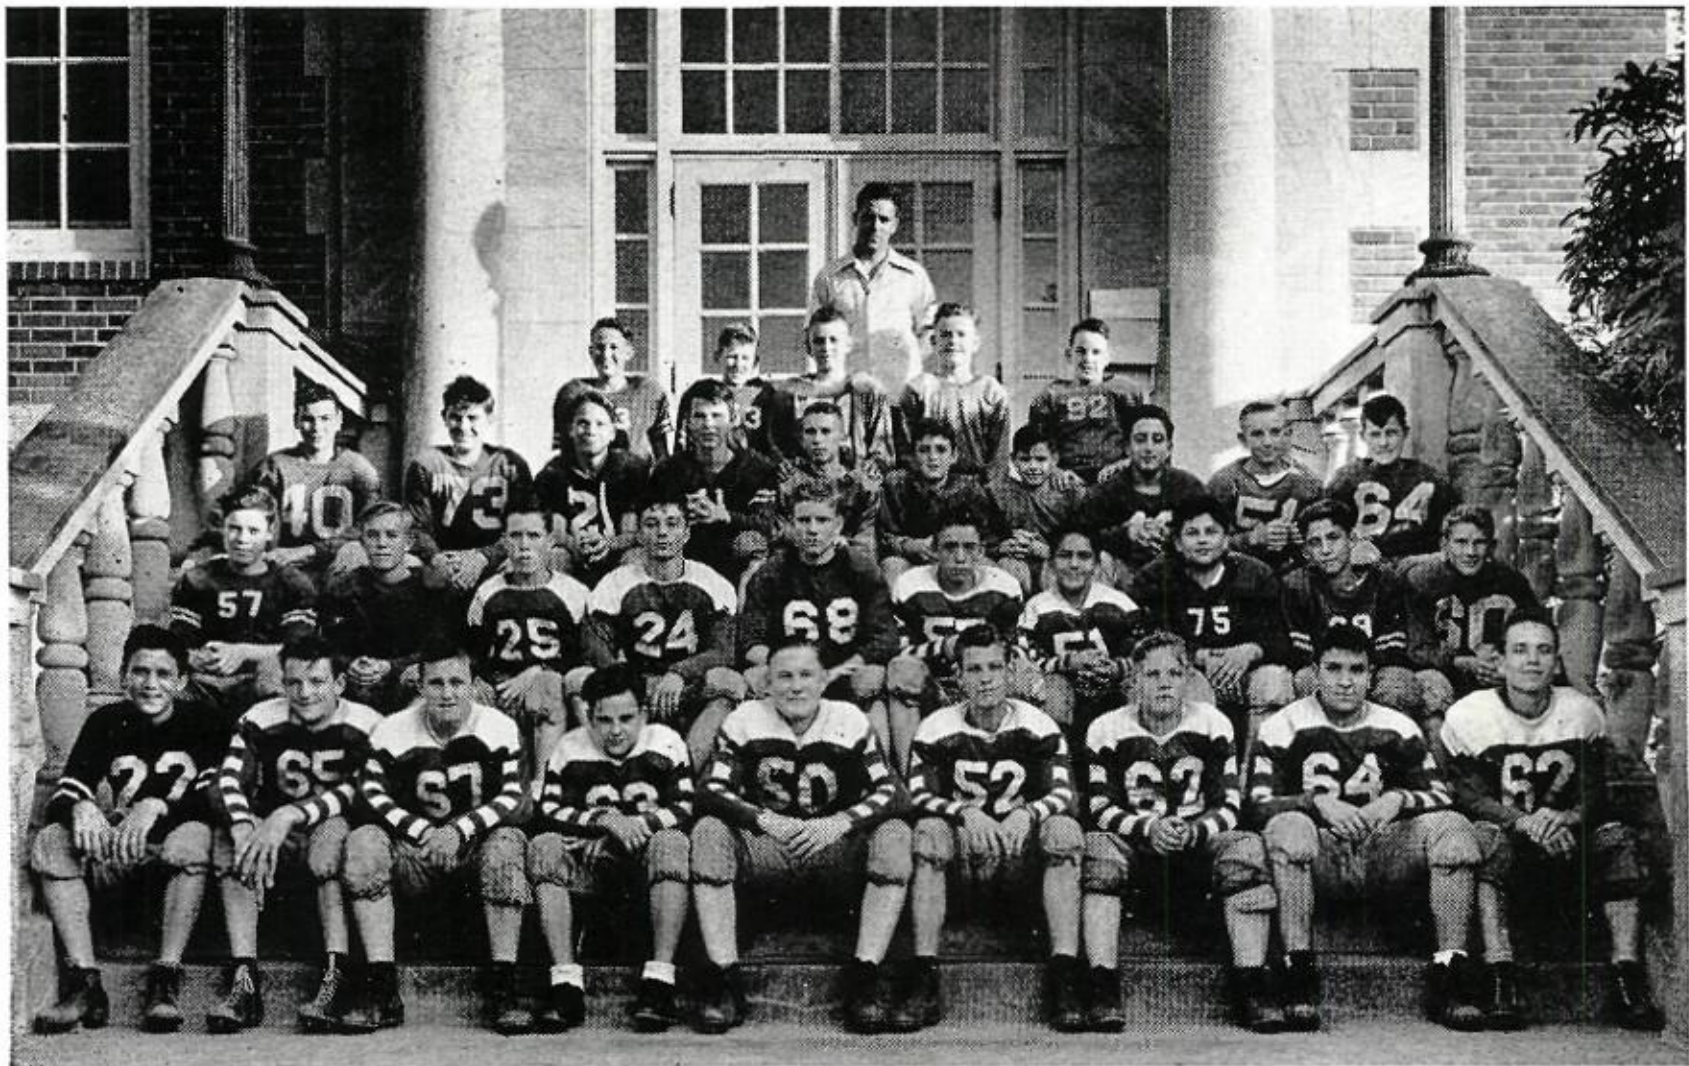

The highly favored Tech Wolves downed a fighting Lion eleven September 15. Bernard Cohen took the scoring honors for Forest, making a touchdown when the Lion forward wall rushed through and blocked a Tech punt. The Lions fought desperately, but couldn't overtake the Wolves.

Forest 0—Adamson 0

The Forest Lions fought the Adamson Leopard for 48 minutes of scoreless dueling, September 21. The game was termed as one of the closest melees unreelied at Dal-Hi Stadium.

Forest 7—Woodrow 7

A spicy melee was unreelied Thursday, Sept. 27, when the Lions battled the Wildcats to a 7-7 tie. The Lions tasted paydirt early in the first quarter when Beasley ran off tackle and kept running for a 58-yard sprint to paydirt. Bennie Morgan converted for the extra point.

Junior Pigskinners

Forest 7 — Sunset 21

The Bisons scored an easy win on lucky breaks over the Forest Lions, November 17 at Dal-Hi. Scoring their first touchdown on a blocked punt, the Buffs took a 7-0 lead.

In the waning minutes it looked as if the Greenies would overtake a 14-7 Bison lead, but a costly fumble of a punt behind the goal added six more counters. Blanks' conversion ran the score up to 21-7.

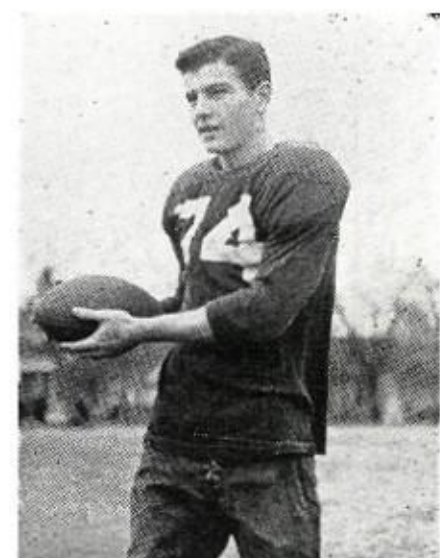

Forest 6 — Adamson 19

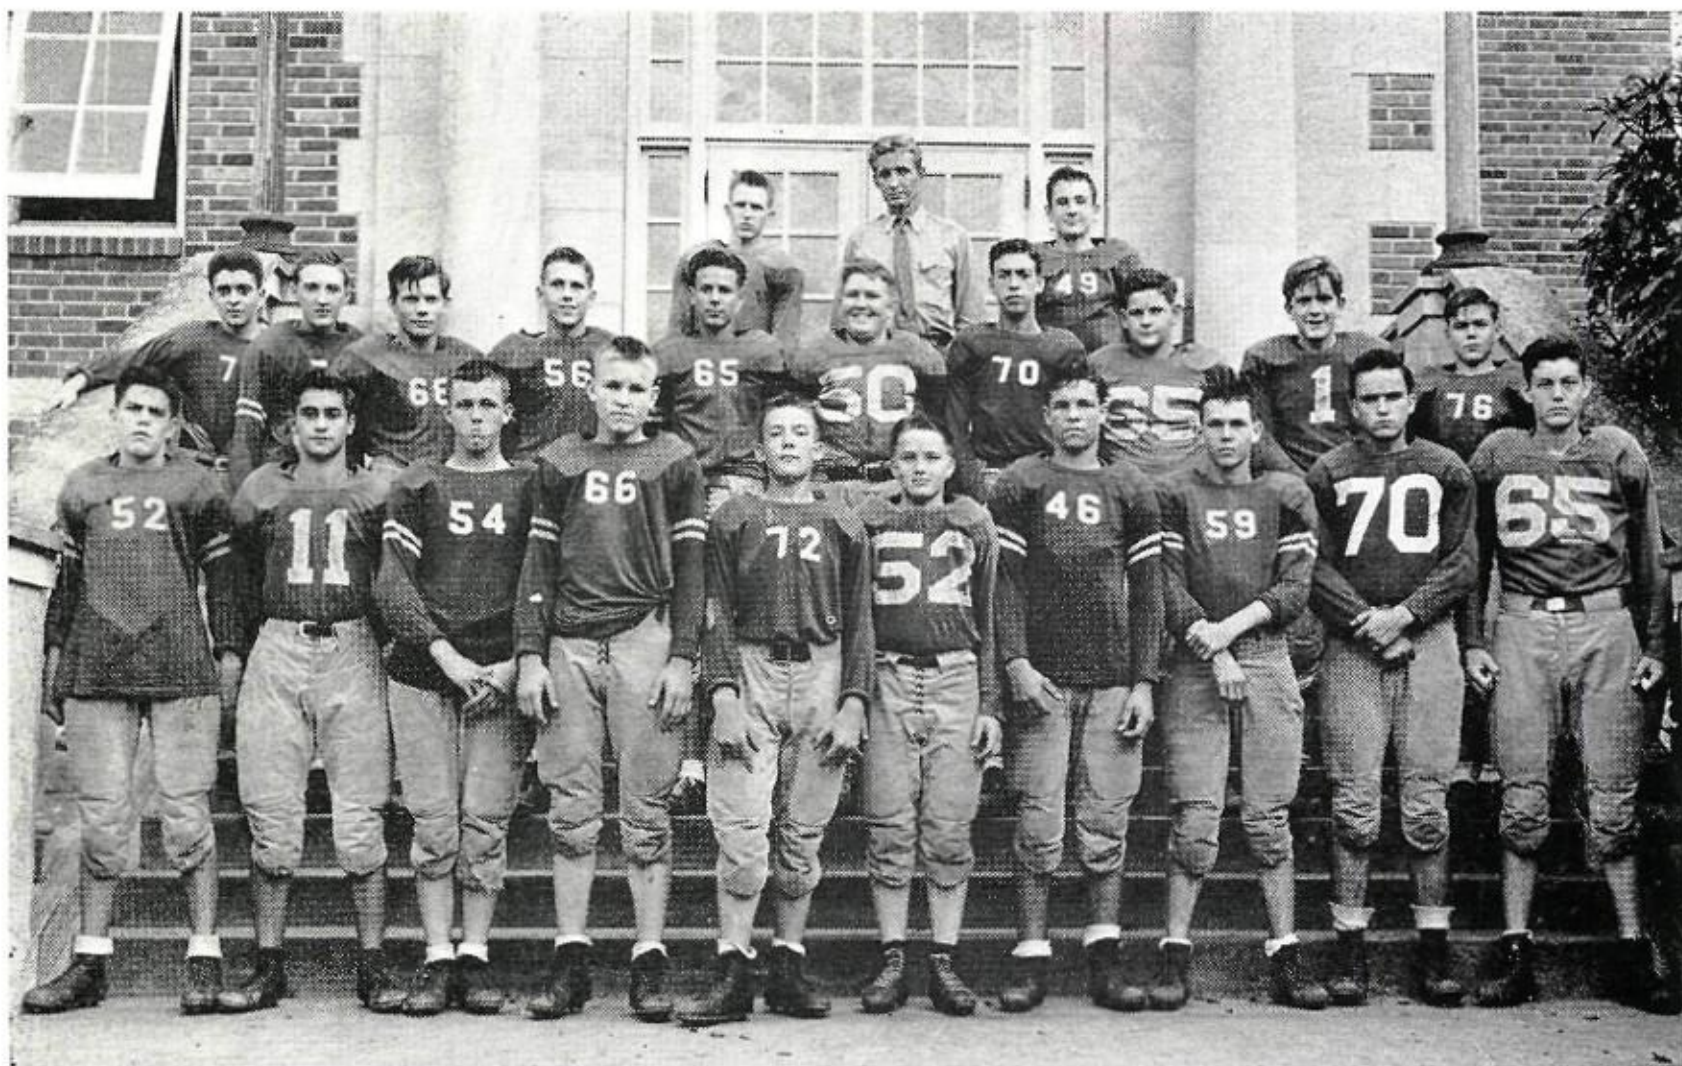

An aerial offensive enabled the Adamson Leopards to score a 19-6 victory over the Lions, November 22. The lone Lion touchdown score came when Bennie Morgan passed to Don Millender for 24 yards.

Forest 0 — North Dallas 19

Scoring in three periods, the Orange-clad eleven turned back the Green Wave October 12, with a score of 19-0. A costly Lion fumble in the third quarter set up the next Bulldog tally. D. C. Chaney passed to the Lion 4-yard line and later plunged over for the score.

Robert Beasley

A thrilling forty-eight minutes of play was unreel'd November 10 when the Lion eleven held the highly-touted forty-seven minutes and 15 seconds, giving the way only in the last 45 seconds to a Bulldog tally which gave the Bulldogs a 6-0 win over the Lions.

Forest 13 — Woodrow 7

A combination passing and running attack led the Lions to a 13-7 victory over the Wildcats at Dal-Hi, November 2. The Wildcats scored first, and grabbed a 7-0 lead. The Lions struck back quickly on a 59-yard touchdown drive featuring two passes, one from Bennie Morgan to Robert Beasley, and the other to Joe Combs. The half ended with Woodrow 7, Forest 6. In the fourth quarter Morgan's passing and Edwards' running carried the ball to the four, where Beasley plunged it over. Morgan's try was good and the Lions won, 13-7.

Sluggers

The Green and White Baseball Team for the past five years has been right on the top, in first, second, or third place. Our Baseball Nine will be battling for top position when we enter the 1946 Season.

COACH ALVA SHEPARD rounded his second-place '45 team around four lettermen, CHARLES TUTTLE, BENNIE MORGAN, EUGENE HIXSON and JERRY DOYLE.

The Lions, paced by the pitching of CHARLES TUTTLE, swept through the season with eight victories, and two losses at the hands of the Adamson Leopards and the Sunset Bisons.

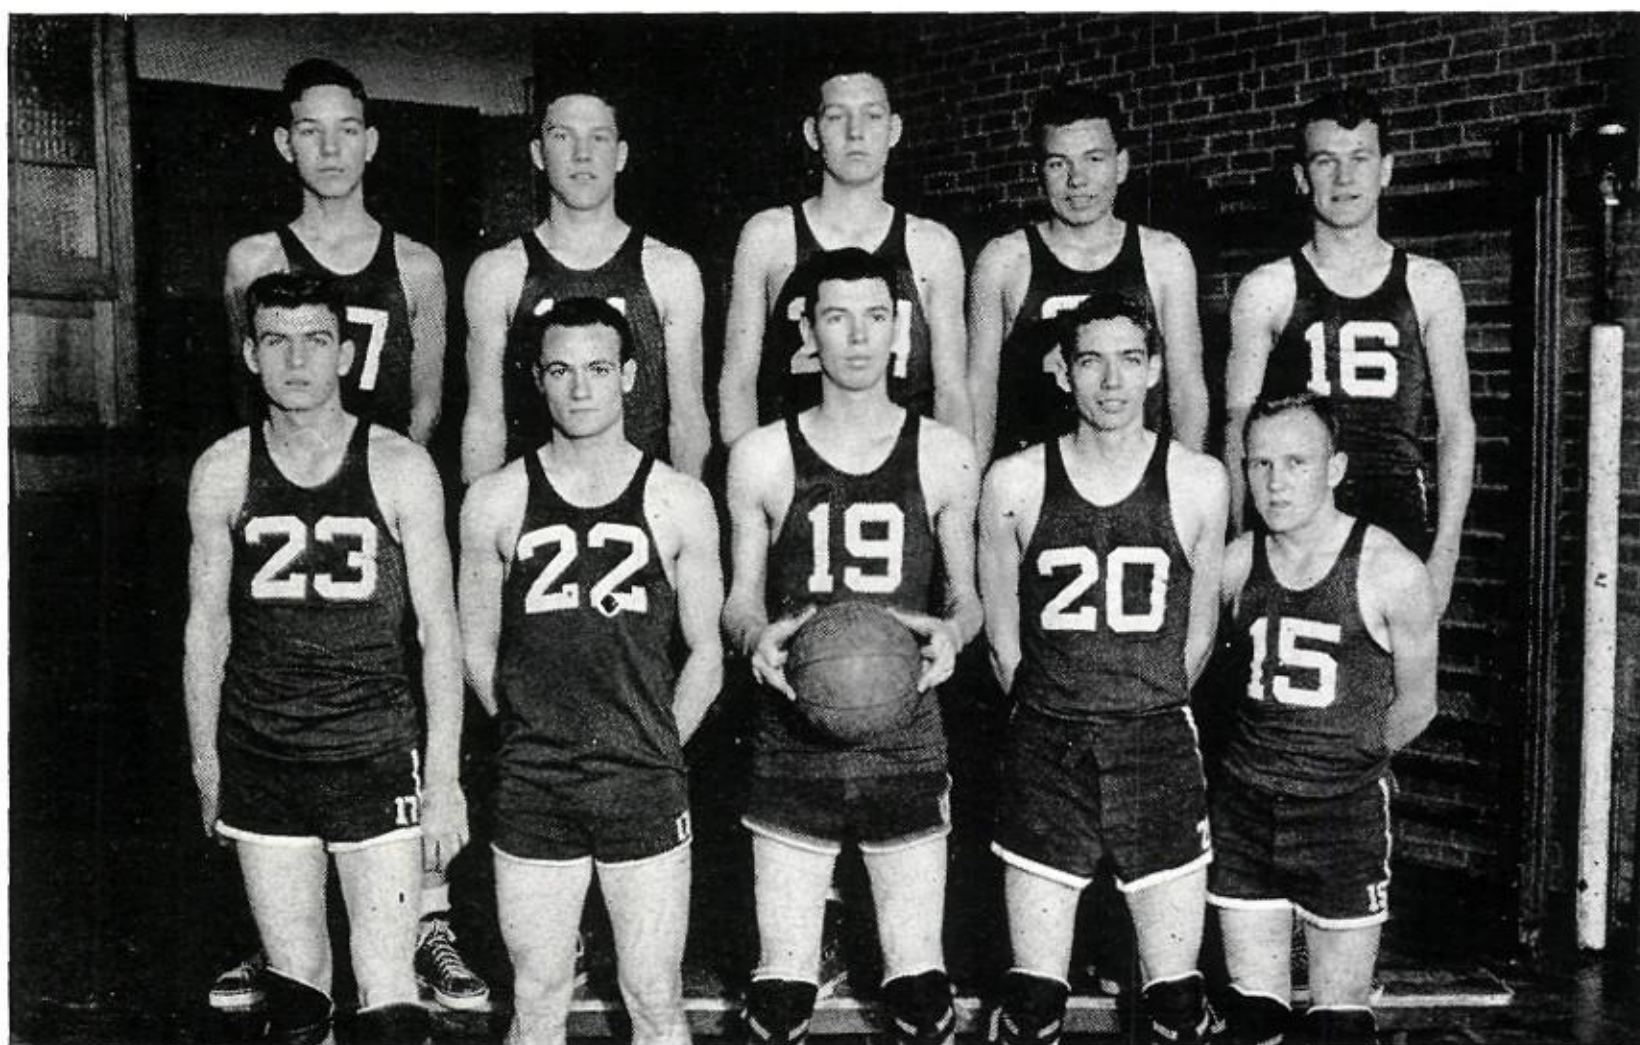

Lettermen back for the '46 season are DON MILLENDER, All-City and All-State Left Fielder; EUGENE HIXSON, All-City and All-State Left Fielder; JAMES CAMP, All-City Utility Right Fielder and All-State Pitcher; JERRY DOYLE, All-City Catcher; BENNIE MORGAN, Honorable All-City Short Stop; EDDIE HALE, third baseman; DON HANES, third baseman; JOHN LIEVESAY, second baseman.

Graduating lettermen were CHARLES TUTTLE, All-City Pitcher; JOE COLLINS, pitcher-first baseman; and BOBBY JONES, first baseman. FRED TILLERY, FRED ROGERS, JOHNNIE SWARTZ and CHARLES MASTERTSON played in the City Series and the American Legion.

Forest finished third in American Legion play.

Hoop Hitters

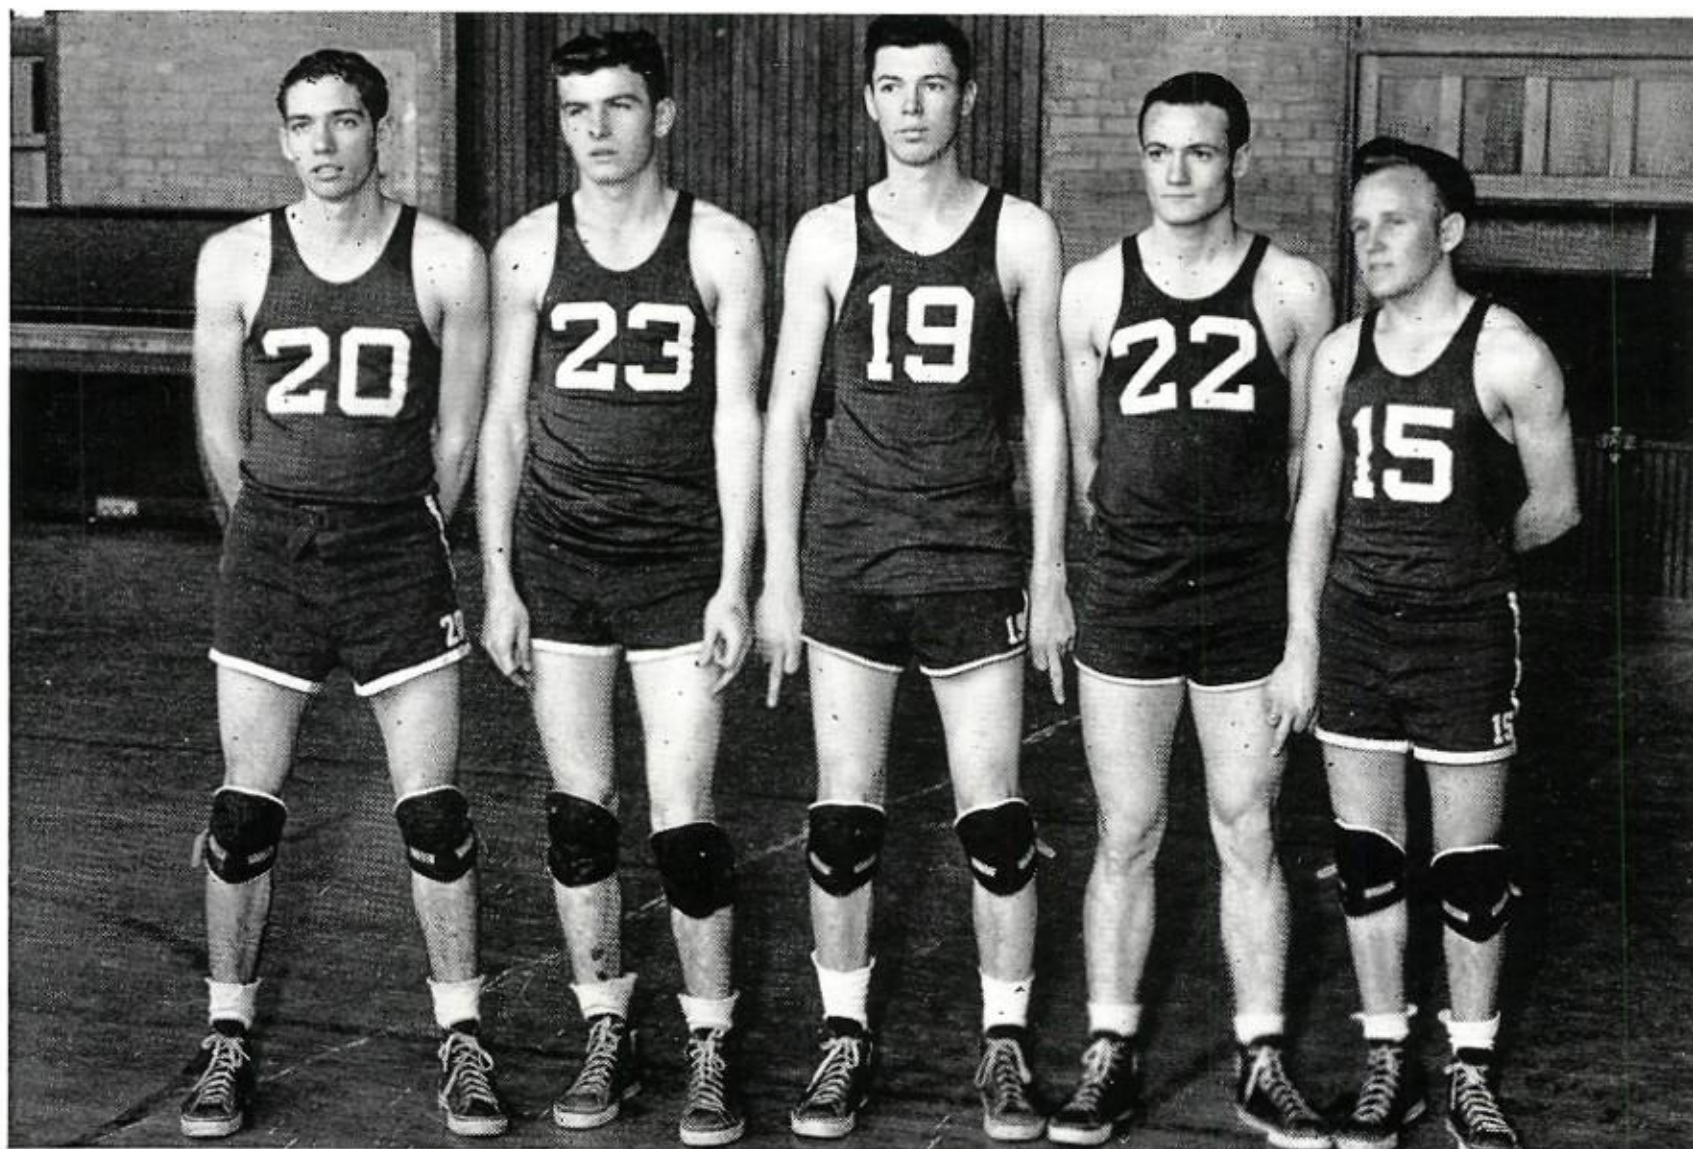

The Lion five started the season on the downgrade, dropping their first game of the season to the Wildcats by a 24-16 count. Still on the downgrade, the Lions dropped another, this time to the destined city champ Wolves 28-16. Then the Lions sprang to life and crushed the defending '45 champs, Sunset, 52-38. Still roaring, the Greenies doubled the North Dallas quintet 45-30. The Leopards shaded the Lions in a tight 35-29 game to end the first half of the season.

The Lions started the second half by winning one and losing one, losing to the Wolves by a top-heavy score of 49-24 and shading the Bisons 43-41 in a close contest. By sparkling defensive play the King of Beasts triumphed over the Leopards 33-23. The Lion quint silver-plattered the championship to the Wolves by defeating the Wildcats 28-22. The Lions cinched third place by closing the season with a 38-32 win over the Bulldogs.

After the regular season was over the Lions entered the Oak Cliff Y.M.C.A. Invitational Tournament, which they won for the second straight year by defeating Compton Citadel, Garland, North Dallas No. 1, and Adamson respectively.

Cager Celebrities

EUGENE HIXSON, rangy Lion center, is one of the best all-around players ever to tread the slat in the gym. Gene, who was voted on the All-City '46 team, has lettered three years in the sport. He led the Forest scorers for two straight years, and is just about one of the best off-the-backboard shooters around Dallas. Gene helped spark plug the Lion five to third place.

Four-sport letterman DON MILLENDER, Forest forward, is a capable ball handler and crib shot artist, an all-around athlete. Don has lettered in football, golf, basketball, and baseball. He won All-City honors in football and All-State in baseball. He also received honorable mention in basketball. Don has four letters in golf, two in baseball, two in basketball, and one in football.

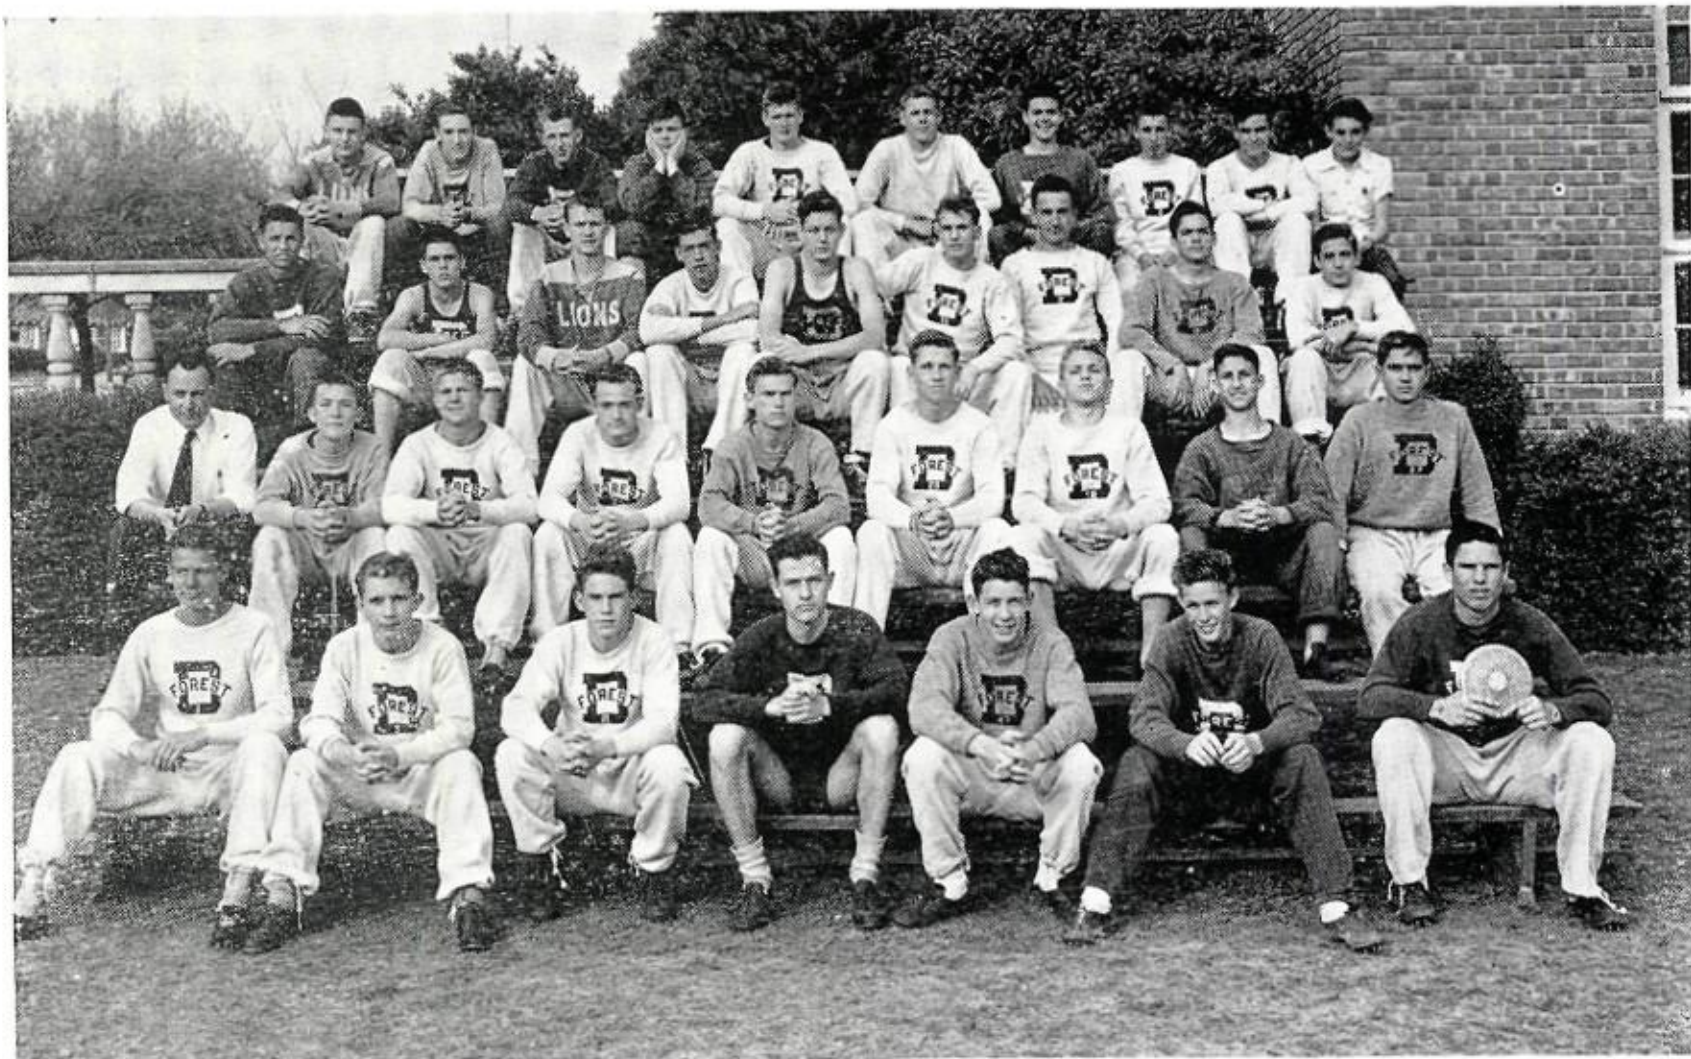

Versatile little BENNIE MORGAN, Lion guard, is one of the most aggressive players ever to patter the planks around Forest. Bennie is sudden death on long shots and is a tricky ball handler, holding his own with tall boys. Bennie has earned three letters in baseball, two in basketball, and one in football. Bennie received honorable mention for All-City in baseball.

Coach Milton Frey

BOB BEASLEY, best guard in the city, could come through in the tight spots with a basket to decide the game's outcome. This was Beasley's second year to letter in basketball. He is a two-year letterman in football and track. Bob is one of the best guards Forest has ever had.

JERRY DOYLE, "Spec's," is a rip-roaring, shooting forward with plenty of good shots. Jerry could make points when they were needed and when they weren't. Jerry is a four year letterman in baseball and a two year letterman in basketball, and received his second football award. Doyle is tops.

Fourth Row: James Sparks, Bill Cook, Glenn McDonald, Kenneth Peach, Charles Conner, William Cooley, Bobby Clay, Jimmy Terrell, David Cherry, Gene Stockdale.

Cinder Patters

In the first triangular meet of '46 held at Dal-Hi, ROBERT BEASLEY took third in the 100, first in shot put. The sprint relay team—MURPHY WEBSTER, BILL PERRY, BILLY PHILLIPS, and ROBERT BEASLEY—ran third. GLEN McDONALD, ace miler, placed second in this event. BILL WEBB tied for third in pole vault, and BILL HORN took fourth.

On March 15, the LIONS entered the FORT WORTH TRACK MEET, running in all events but not placing.

ROBERT BEASLEY paced the LIONS with 11½ points on March 20, winning the 100 yard dash, taking a first in shot put and tying for third in 200-yard low hurdles. GLEN McDONALD took third in the mile, BILL JONES finished third in the 440 Yard Dash and the sprint relay team finished third.

Friday, March 29, at Dal-Hi the LIONS ran up a total of 26 points against NORTH DALLAS and WOODROW WILSON, with BEASLEY taking third in the 100 yard dash, second in the 120 yard high hurdles, second in the 220 yard dash. BILLY HORN tied for first in pole vault, and BILLY THOMAS tied for third. CHARLES MASTERSON and JOE COMBS tied for third in high jump, COMBS taking third in broad jump. W. A. COOLEY took fourth in discus; McDONALD ran third and TERRELL fourth in the mile run. The 440 relay came in second place.

Netters

Teaming up to win the title of city champs in doubles for Forest are Solie Freed and Lester Frank, 4A's. Highlighting a return appearance for girl's singles is Eunice Richter, 4A. Just a beginner, but with plenty of ability, is Charles Annes, 3B, single player. Girls' doubles will go strong this year with Margaret Keaton, a return player, and Virginia Chesnick, both 4A's. The team thus far has won all four matches from Tech, and hopes to continue by living up to this game and winning the "City Championship." Last year's schedule follows:

BOYS					GIRLS

Fairwayers

With returning letterman Don Millender and Squadman L. B. Holmes, the Forest Golf future is unusually bright; and with promising, lanky Richard Winters, the prospects are even brighter. Billy Murphy, Freddie Dunn, and "Ozzie" Hansen round out the squad. Don is one of the most consistent golfing youths in Dallas. His long driving, good chipping, and accurate putting put him on the level with the best in the city. His partner, L. B.

Holmes, has been playing golf for a long time, and aids Don in catching valuable points. Richard Winters, who started playing golf last summer, is steadily gaining momentum and is pushing Don and L. B. around keeping them hustling. Billy Murphy is steadily improving, as is Freddie Dunn, who battled it out for fourth position. Hot on their trail is 'Ozzie' Hansen, who has been playing just a month or two.

Girls P. E.

The Physical Education department presented a varied and interesting program for the girls this year.

Posture was stressed more than any other work done. Six girls were chosen from each gym class to be in the final contest. The girls were judged on body-alignment, balance, ease of movement, poise, vitality, and co-ordination. Three judges were chosen from the faculty. Peggie Laman won first place, Beatrice Forbes won second place, and Eva Mae Shipp and Ruby Schaefer tied for third place.

The four Varsity Teams included newcomb, end ball, tenicoit, and volley ball. These games were played for body balance and relaxation. After each tournament the girls were given serving tests. The spring semester P. E. classes played socker, baseball, and basketball.

Girls for the Varsity Teams were chosen by captains and teachers for their outstanding, all-around playing, each team being made up of the best players from each class.

At mid-term, courses in health were added to the curriculum. The freshmen studied health; the sophomores studied physiology; the juniors studied first aid; and the seniors studied safety, public health, and home nursing.

Posture Queens

These four Posture Queens were chosen from the group of girls in the picture on the previous page, who represent the best posture in all of the Girls' Physical Education classes.

Girls R. O. T. C.

Girls R. O. T. C. sponsored by Miss Freida Thoene and Miss Locille Segrist, was conducted under the direction of the regular R. O. T. C. It was open to all girls above freshman standing. The purpose of the organization was to teach orderliness and dependability. Exercises were given to develop good posture and promote good health, and contests were held to see which platoon could drill best. Promotions were awarded, but only after hard work on the part of the girls.

Cheer Leaders

All through our high school life the word "cheerleaders" has brought to mind visions of first kick-offs, hot-dogs, and enthusiastic cheers from brightly-garbed fans. However, the all-important task of creating an attitude of loyalty and interest among students is only one duty of the cheerleaders. They work out new and original yells to invigorate the students and their teams; they go out in wind, rain, or snow to lead these yells; and among themselves they develop a feeling of co-operation and teamwork.

HERMAN SCOTT, an R. O. T. C. officer, was elected to the responsible position of head cheerleader; Brunette "BOOTS" REILLY and blonde PATSIE GREENE, both Juniors, added to the group. C. H. PRITCHETT, another R. O. T. C. officer, peppy BENNY SCARBOROUGH, and friendly BILLY TANKURSELEY were other members of the lucky seven. Being a cheerleader was not the only sports activity of MARGARET KEATON, a Senior, who was also a member of our tennis team.

The school is grateful to these who have led our yells and our students.

The four cardinal principles of the National Honor Society are Scholarship, Leadership, Character, and Service. 4A's, 4B's, and 3A's who have been at Forest for at least one year are eligible for membership. The candidates, presented by members of the faculty, are investigated by a committee of teachers, and must be passed on by the faculty and society. Of the 4A class 15% may be selected; of the 4B, 10%, and of the 3A, 5%. The emblem is the keystone and flaming torch. The members of the society were invited to reorganize the Mesquite chapter, and to initiate their new members. Although no regular meetings were held, an initiation assembly is given each term and a picnic was held.

The High Scholarship Club began this year's work by sponsoring a drive for better attendance. Editorial, speech, poster, and slogan contests were held, and awards were presented to the winners on an assembly November 5. The annual Christmas party and program was held December 14. The Club contributed \$20 to the support of a Chinese orphan for one year, and to the Girl Reserve's Treasure Chest for China. The Linz Award assembly was held March 7 with Morris Steinberg as speaker. The annual picnic was held in May at Fair Park. *Flora*

The Forest Avenue Junior Red Cross had a campaign for membership. Dues were paid and the balance given to the Service fund. Our club helped in the distribution of Safety posters and American Red Cross posters. Every month a Red Cross magazine was placed in the library.

For many pupils the Junior Red Cross is their first introduction to philanthropy—to service above self.

The nature of the Red Cross is such that a young person can come to understand that service to his fellow man is not necessarily a matter of giving money, but also his time and work.

To give broader ideas of the Roman people and their value to the world are the aims of the Auditores Caesaris. Goodtime programs enjoyed were the Hallowe'en and St. Valentine's Day plays and Virgil's birthday party. Important events in the spring were the annual banquet and the picnic. Latin week was celebrated April 15-19 with a movie, "The Last Days of Pompeii"; with editorials in school and daily papers; with emphasis in the classroom on the cultural value of the Latin language. Many members are in the Junior Classical League, Margaret Moore being vice-president.

Present and former French students are eligible for membership in Le Cercle Francais. The purpose is to encourage interest in France and her contributions to civilization in the fields of art, literature, and science. An assembly was given on April 24, on which W. J. Hammond of Texas Christian University told of contributions of the French settlement, La Reunion, to Texas. The club attended the presentation of mementos of friendship by Gabriel Hocquard, Mayor of Metz, France. Miss Cecile Robert, a lawyer from Paris, spoke on "Youth in France" at a meeting held March 28. Two parties were given, February 16 and May 20.

O Club Brasileiro

O Club Brasileiro, or the Brazilian Club, was organized in September, and has since grown into a class of eleven students who meet each Friday morning before school to be instructed by Miss Fletcher R. Wickham in the Portuguese language. The aim of the club is to bring about a better understanding of the people of Brazil by studying their language. Each member has found that his knowledge of Spanish is invaluable in the study of Portuguese. The conversations which are held in Portuguese add to the interest and usefulness of the club and provide enjoyment for all.

The Texas History Club, founded in 1935, became Chapter One of the Junior Historians in 1940. To discover, collect, and preserve historical material relating to Texas is the object of the club.

Two assemblies were presented, one in commemoration of the birth of Stephen F. Austin, and one in observance of Texas Week. Presentations of books to the Texas Memorial Library, visits to historical places in Dallas, promotion of the Texas Centennial of Statehood, taking part in the Texas writing contest, and sending a representative to the Junior Historian meeting in Austin, were all parts of the program for the year.

The purpose of the Girls Public Speaking Club is to gain knowledge of parliamentary law, debating, oratory, and extemporaneous speaking.

The club gave a party on October 10 honoring all freshman girls. We said farewell to Miss Black, devoted sponsor of the past. Miss Siddie Jo Johnson was guest speaker at the fall assembly, and Miss Rowe was the guest at our joint meeting with the Standard Debating Society on December 12.

The club members were the guests of the Standard Debating Society at the spring meeting. We are grateful to our new sponsor, Mrs. Juanita Stringer, for her help in making our spring play a success.

The Vestonians were organized on March 3, 1941, under the guidance of Miss Alice Harrington.

The name of the club is derived from Vesta, goddess of hearth and home. The club meets semi-monthly and the purpose is to help girls make better homes.

Only junior and senior girls are eligible for membership and the enrollment of the club must not exceed the number of twenty-five. The members are accepted by two-thirds vote each semester.

Programs about home life are presented and socials are a must, for the Vestonians.

Crash! Bang! What a clatter! It was thirty-three boys in Room 204 delving into the art of cookery and good manners as taught by Miss Willie Mae Berry in Boys Home Economics 7.

Surprisingly enough, one of the most noticeable features was the interest displayed in the sampling process, as their delicacies were removed from the stove, and they pondered on the nutritive value of their products.

Former students, having experienced, to some extent, a necessity for such training, advise all who can, to take advantage of this opportunity.

The Young Retailers are boys and girls who attend school in the morning and work in the afternoon. They study salesmanship, grooming, etiquette, and regular courses, and gain training and experience which help them secure permanent jobs and advance to better jobs. They learn that people are funny, people are nice, people are strange, people are co-operative; and they are brought nearer to far-away countries by handling their goods. Through meeting the public they acquire tact, poise, and personality. These boys and girls must be interested in and suitable for store work, because they are graded as much on this as on regular courses.

Office Assistants

The assistants in the dean's office contribute to making the work run smoothly by collecting the attendance slips at each period, by taking out call slips, by answering phone calls, and by running necessary errands for the office secretaries, Mrs. Brady and Mrs. Jackson, as well as for the dean. All assistants have high averages in their school work, are very dependable, and are rarely absent. Miss Foote entertained the group with a Christmas party.

The assistants in the principal's office arrange cards in the students' file, put mail in the teachers' boxes, take out call slips, deliver books and packages to the teachers, answer the telephone, run errands for Mr. Whittlesey, Miss Skelton, and Mrs. Brown, keep the lunchroom record, look up banking cards, assist with counseling records, and stamp the date on cards for the next day. Eunice Richter serves as private secretary to Mrs. Brown.

There is cooperation between both offices and among the assistants and teachers.

Library Assistants

Assistants are chosen by the librarian from among pupils recommended by the faculty. Four or five girls at each period assist the students in filling out permits and signing study hall slips. These girls search patiently through books until they find the information that students need, and suggest books for book reports. The assistants take attendance reports to the study halls so that the pupils in the library will not be marked absent. Each girl stays one afternoon a week after school to issue books to those who wish to take them home overnight.

The library assistants attempt to make it easier and more convenient for the students of Forest to do their work, thereby raising the school's scholastic standing.

The past year the Dads Club sponsored Friday night dances; gave a dinner honoring all athletes; presented a Bulova watch as prize to the girl enlisting the most new members; raised funds for band uniforms; promoted plans for additional ground for a new gym; requested noiseless street cars on the Forest line; and held in May the first annual "Lest We Forget" program honoring the Foresters killed in service.

Both student body and the Dads Club mourn the loss of Mr. Joe Utay, Vice-President, who was active in planning and conducting the Friday night dances.

Parent-Teacher Association

As President of the Parent-Teacher Association, Mrs. Theodore R. Ray, with the assistance of the officers and members, enjoyed a most successful year. The club dedicated their year book to returning service men and as a memoriam to our Heroes and the late President Roosevelt; donated \$40 to the Community Chest and \$25 to the American Red Cross; gave two paid assemblies; entertained the graduating classes with a theater party and reception; gave the Dads Club \$50 to apply on uniforms for the School Band. The P. T. A. brings into closer relationship the home, the school, and the community.

And so the headlines flash across the pages of the **Echo**, telling the student body what's going on, boosting attendance drives, building school spirit, announcing sports events, publicizing contests, reviewing assemblies.

News stories spotlight school activities. Editorials urge student co-operation, command meritorious work, and console spring fever victims. Pictures put the faces of teachers and students before the entire school. Columns let readers in on current school gossip and keep the students in touch with classroom activities, the military corps, the band, and the various classrooms.

This year was a busy one for the **Echo** staff. Printing difficulties were solved when the Hicks Printing Company took over the job. The **Echo** received an All-American rating from the National Scholastic Press Association for the '45 Spring semester. Journalism students said good-bye to Miss Mary Smith Clark as sponsor of the paper with a farewell party and welcomed Albert Sidney Johnston, Jr. as sponsor.

The Cub Edition gave the cubs a chance to feel how it is to run the paper. The staff put out a special valentine edition. In the Interscholastic Press Association Contest, the **Echo** received an award of honor for issues published until March. **Echo**-sponsored talent show cleared the deficit caused by higher printing costs.

Throughout the year, papers continued to go to servicemen all over the world, even with the end of the war.

Staff members held a banquet in the spring. Awards to the staff members were made at the end of the year.

Forester Staff

We sincerely hope that you enjoy your 1946 Forester as much as we have enjoyed producing it. The staff has striven to give an accurate view of the school year that you may look back on it with pleasure. In order to give you a complete account, we have added several new features—"Highlights of '46," snaps of the seniors engaged in their many activities, and snaps of the various sports. One of our difficulties has been to convince anxious students that we really had no idea who the "Forester Favorites" were. Obtaining the identification for the pictures was no easy task, for the students were so eager to resume class work. Members of the staff have worked hard, giving up study periods and working before and after school, but altogether it has been a lot of fun.

We owe a debt of gratitude to many this year for making this book possible. Especially do we wish to thank our advisers, Miss Annie Gem Felder and Mr. H. B. Yates; Mr. Harry Crenshaw of Southwestern Engraving Company; Irving Wilkinson Printing Company; Mrs. White of Sears-Roebuck Photography Studio; and our photographer, Mr. Kizer, for their kind interest and co-operation.

A conclusion. As we put the "30" mark on this senior issue, we would like to leave a little thought with all of you. According to John Henry Newman here's the value of an education: "It is the education which gives a person a clear conscious view of his own opinion and judgments, a truth in developing them, an eloquence in expressing them, and a force in expressing them, and it teaches him to see things as they are."

Report cards—12:00 noon

Approximately sixty-five Forest seniors will graduate Thursday night, January 24, in the school auditorium. Miss Willie Mae Berry, 4A class sponsor, has announced. The 1945 fall term will close the following day, and enrollment for the new Spring semester will open on Monday, January 28.

Closing senior activities for next week will include Baccalaureate services at the Forest Avenue Baptist Church this coming Sunday, with Reverend Odell Jameson, pastor, officiating. The graduating seniors will hold a banquet on the following night at the same church with Reverend Jameson as speaker.

Examinations for Foresters will begin Monday, January 21, and will last through the following Wednesday. With no school on Thursday, pupils will return to school at noon Friday, January 25, to receive their report cards.

About 135 1B's are expected to enroll at Forest for next semester. They are to assemble in the school Thursday, January 24.

Radio and Aeronautics Courses To Be Offered in New Classes

A new era has arrived. Forest students will listen and wonder as one entirely new subject enters into the Spring '46 schedule and another subject, discontinued for the past year, returns to the Forest curriculum.

A course in radio, offered by the public speaking department, is the new subject to be offered. Training in this course will include radio announcing, acting and script writing.

"It has not been decided," said Mrs. Juanita Stringer, public speaking instructor, "whether this course will be included in the course of drama, which is Public Speaking 4, or in the regular course of Public Speaking 2.

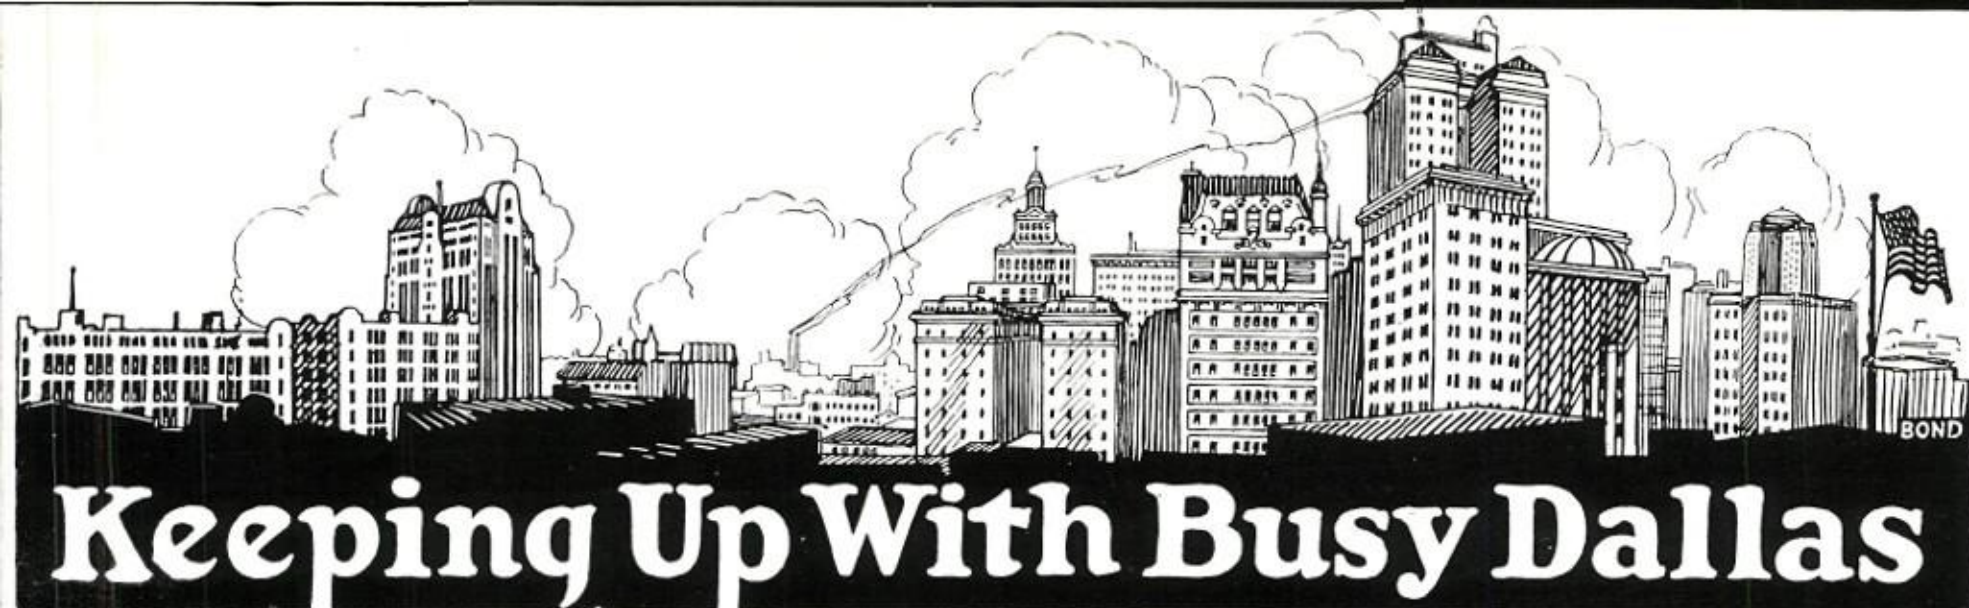

The return of the study of Aeronautics to the list of subjects offered in this school, after an ab-

sence of a year, is expected to bring a warm response from the mechanically-minded students, especially those interested in airplanes.

"Aeronautics includes the study of airplane identification, navigation mechanics, and principles of flight of the airplane," said Guy Allen, instructor of Aeronautics, in explaining the contents of the course.

In introducing these subjects to the student body, James T. Whitteley, the principal, said, "Response from the students, in joining these classes will decide whether they will be offered."

It is expected by both Mr. Allen and Mrs. Stringer that the offered subjects will be of interest to many of the Forest pupils.
